Disclaimer:

This document is prepared by Valbury Asia Futures, this is for information purposes only, and is not, by itself, intended for anyone other than the recipient. It is not an offer or a solicitation to deal in any of the investment products referred to herein or to enter into any legal relations, nor an advice or by itself a recommendation with respect to such investment products. It does not have regard to the specific investment objectives, investment experience, financial situation and the particular needs of any recipient or customer. Customers should exercise caution in relation to any potential investment.

Customers should independently evaluate each investment product and consider the suitability of such investment product, taking into account customer's own specific investment objectives, investment experience, financial situation and/or particular needs. Customers will need to decide on their own as to whether or not the contents of this document are suitable for them. If a customer is in doubt about the contents of this document and/or the suitability of any investment products mentioned in this document for the customer, the customer should obtain independent financial, legal and/or tax advice from its professional advisers as necessary, before proceeding to make any investments.

Investments in financial instruments or other products carry significant risk, including the possible loss of the principal amount invested. Financial instruments or other products denominated in a foreign currency are subject to exchange rate fluctuations, which may have an adverse effect on the price or value of an investment in such products.
