## JP – Interest Rate Decision (October)

---

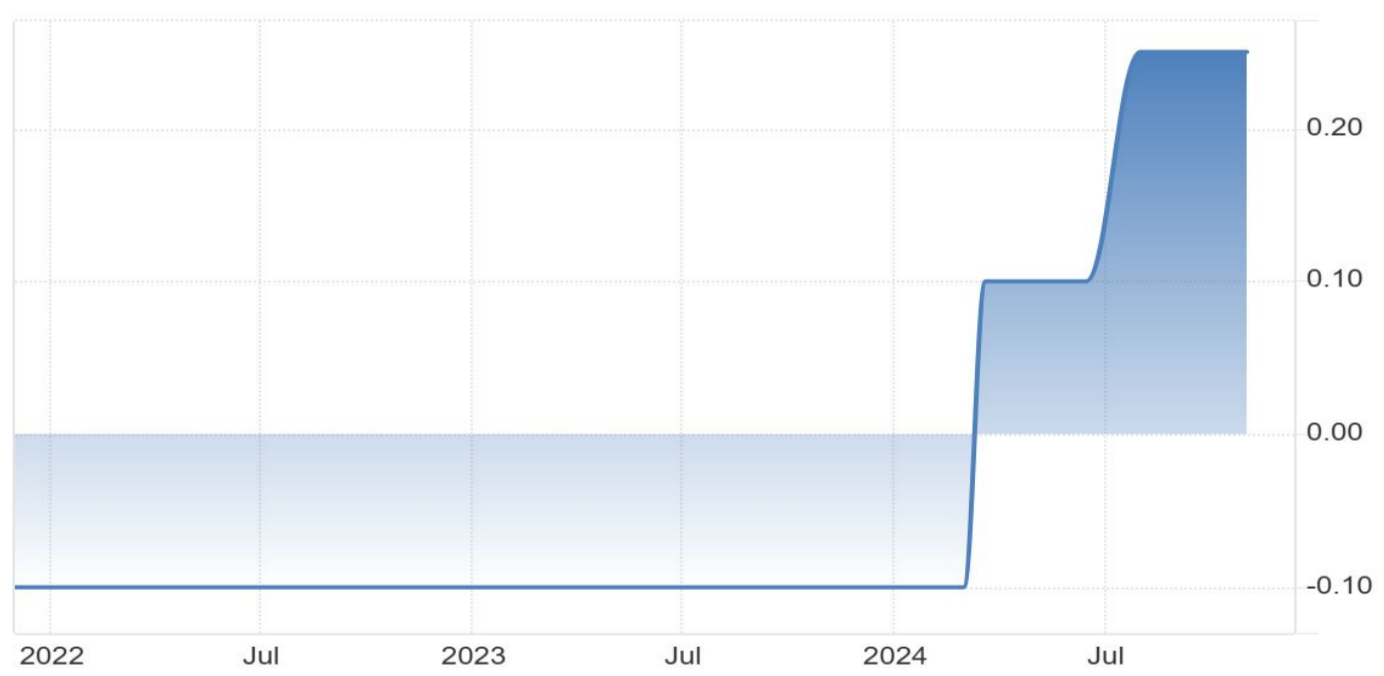

Bank of Japan mempertahankan suku bunga stabil pada hari Kamis dan mempertahankan perkiraan bahwa inflasi akan mendekati target inflasi 2% di tahun-tahun mendatang, menandakan kesiapannya untuk terus mengurangi stimulus moneter besar-besaran.

Seperti yang diperkirakan secara luas, dewan yang beranggotakan sembilan orang memutuskan untuk mempertahankan suku bunga kebijakan jangka pendek BOJ tidak berubah di 0,25% dengan suara bulat.
