Pos	Stop Loss		Take Profit		Risk to Reward Ratio	

The dollar held its sharpest gain in a week on Wednesday after an Iranian missile attack on Israel drove buying of safe assets as investors fretted about the widening of conflict in the Middle East.

Early Asia moves were slight, leaving the euro below \$1.10 following its largest drop in nearly four months overnight.

The bid for safety kept the yen broadly steady at 143.45 per dollar and the Swiss franc at 0.8463 per dollar. The New Zealand dollar was nursing a 1.1% overnight fall at \$0.6283 and oil prices had jumped 2.5%.
